PROFESSIONAL EXPERIENCE

Web and Graphic Design Intern, UW-Madison Grainger Institute for Engineering Madison, WI • August 2026–June 2027

- Redesigned webpages for engineering research projects, including Wisconsin CHIPS and R³Steel, using WiscWeb.
- Created graphics Technology Entrepreneurship Office and the Wisconsin Drive Manufacturing Summit LinkedIn post.
- Worked with a senior graphic designer in Research Impact and Outreach (RIO) to develop webpage layouts and formatting.
- Fulfilled design requests from UW's engineering facilities, creating content aligned with goals and university branding.

UX/UI Intern, FlamAid Barcelona, Spain • June–August 2026

- Designed web and mobile interfaces in Figma, including the subscription page and redesigning mobile login/sign-up flow.
- Collaborated with the founder, marketer and developers to improve the app's UI and implement updated brand guidelines.
- Led a brand refresh by updating the brand book, typography, color palette, and visual assets to strengthen brand identity.
- Conducted website UX reviews and created icons, graphics and illustrations using Adobe Photoshop and Adobe Illustrator.

UI Designer, Nudge (Startup) Madison, WI • February–June 2026

- Draw and create mockups and prototypes for Nudge's application design using a sketch pad and a software called Figma.
- Work closely with the developer to improve the app's accessibility and user experimentation with in total 235 testing users.
- Research different user needs by creating wireframes, personas and case studies that increased engagement by 80%.
- Stick to the specific branding guideline with cohesive color palettes and typography that distinguishes the app from others.

Graphic Design Intern, Wisconsin School of Business Multicultural Center Madison, WI • August 2025–June 2026

- Design and create over 80+ marketing materials for events, programs, and center initiatives using Canva and Adobe CC.
- Assist in developing and executing creative strategies for the center to better promote outreach on Instagram and Linkedin.
- Provide insights on design and social media trends to engage multicultural student communities at the Business School.
- Help Professional Staff and other Interns in the Multicultural Center and provide general center support as needed.

Communications/Graphic Design Student Leader, CeO (Center for Educational Opportunity) Madison, WI • August 2024–June 2025

- Creating the graphics for all events, projects, emails, and Instagram posts hosted by the Student Leaders group.
- Work closely with the Communications Interns with graphics posted on Instagram and the CeO newsletters.
- Create all outgoing messaging for programs, events, and announcements to grow engagement to CeO Scholars.
- Take pictures for CeO events using CeO's professional camera and editing them in Adobe Lightroom.

LEADERSHIP AND MEMBERSHIP

Webmistress, aKDPhi (alpha Kappa Delta Phi International Sorority, Inc.) Madison, WI • December 2026–June 2026

- Re-designing and creating the WI aKDPhi's website using a web designing app called WIX.
- Make sure our website is clear, cohesive and functional with all of our chapters information. WI aKDPhi website

Graphic Design & Public Relations Chair, MRSA (Myanmar Student Association) Madison, WI • September 2024–June 2025

- Design flyers for MRSA events, post and promote event flyers on the Instagram account.
- Take pictures at every external event.
